Laura Joslin is a Client Services Specialist at HRS Commercial, a commercial real estate advisory and brokerage firm based in Newport Beach, California. Mrs. Joslin collaborates with each member of the firm to facilitate the operations of each assignment through the management of clients, reporting, the creation of marketing materials, conducting market research and providing superior customer service to clients and her team of brokers.

Prior to working at HRS Commercial, Laura spent four years in the mortgage industry where she was client-centric and responsible for supporting and executing diverse operations vital to successful transactions as a support and closing analyst. Mrs. Joslin attended Argosy University where she graduated with a Bachelors in Science.

### What's a saying you live by?

"It is only after you have stepped outside of your comfort zone that you begin to change, grow & transform."

**On the weekend, you can find me** on my bike!
