Wesley Sherburne is a Vice President at HRS Commercial, a commercial real estate advisory and brokerage firm based in Newport Beach, California. Mr. Sherburne is involved in all stages of the real estate process for occupiers throughout North America.

Prior to launching HRS Commercial, Wesley worked at CBRE where his team led the Advisory & Transaction Services practice in Southern California and nationally. Prior to joining CBRE, Mr. Sherburne worked in the logistics industry advising corporate leaders on supply chain management, carrier utilization, and service.

A creative dealmaker and skilled consensus-builder, Mr. Sherburne combines his logistics expertise with real estate knowledge to develop tailored strategies to minimize risk and achieve successful outcomes.

Mr. Sherburne is a Newport Beach native and attended Pepperdine University where he graduated with a degree in Sports Business Administration from Sever College. Wesley was a student-athlete at Pepperdine where he played water polo all four years at the Division I level.
